INTRODUCING THE DENTAL SAVINGS PLAN

Our Dental Savings Plan includes two regular cleanings, 1 fluoride treatment per year, 2 dental exams including oral cancer screenings, and all x-rays included with your cleaning visits. All of this work is done completely within the walls of our own practice. Our dental savings plan further provides reduced fees on crowns, bridges, implants, fillings, dentures, extractions, laser treatments, and all products for sale in our office, as well as cosmetic dentistry.

No deductibles

No hidden fees

No yearly maximums

No waiting periods

Benefits begin upon plan registration and full payment

No monthly premiums

Plan duration is for one year from the registration date
